The following investigation was conducted by AI [REDACTED]  
[REDACTED] INSD, on 05/17/2004 in New York, NY:

b6 -1  
b7C -1

SA [REDACTED] NYO, Squad CD-22, [REDACTED]  
DOB. [REDACTED] SSAN. [REDACTED] was interviewed. He was  
advised of the identity of AI [REDACTED] and the nature of the  
interview. He provided the following information:

b2 -1  
b6 -1  
b7C -1

SA [REDACTED] deployed to Iraq on or about 11/13/2003  
through 01/16/2004. His primary duties while in Iraq consisted  
of conducting FCI interviews at Camp Cropper in the vicinity of  
Baghdad International Airport. He worked primarily with SA [REDACTED]

b6 -1  
b7C -1

[REDACTED] He went to Abu Ghurayb prison on approximately five  
occasions. On one occasion he was searching for a "ghost"  
detainee through both cell blocks and the tent compound, but did  
not locate him. He described a "ghost" detainee as someone  
detained at the prison by intelligence personnel without any  
record of the detainee's presence. He did not know how many such  
detainees existed. On one occasion he processed for  
fingerprinting and DNA approximately 25-50 detainees at the  
prison. He also introduced a detainee whose name he could not  
recall to the Iraqi Survey Group (ISG) because of the WMD  
knowledge that detainee possessed. The ISG was U S. military, to  
the best of his recollection. He also dealt with Department of  
Defense (DOD) personnel who were civilian clothes. He believed  
they represented Defense Intelligence Agency.

Other than his search for the "ghost" detainee in the  
cell blocks, he interviewed detainees in the stand alone  
buildings known as "wood" and "steel," respectively. He actually  
interviewed the "ghost" detainee prior to the search on one  
occasion and saw no signs of abuse. The detainee was  
subsequently released, and that is why SA [REDACTED] could not locate b6 -1,3,4  
him during the search. These stand-alone buildings were located b7C -1,3,4  
outside the cell blocks. Those detainees were from the tent  
compound, not the main cell blocks. He recalled interviewing b7D -1

[REDACTED] with SA [REDACTED] b7F -1  
was a tent compound detainee. The detainee was delivered to the b7F -1  
stand alone building by MPs who did not participate in the  
interview. The detainee was brought to the interview in hand  
cuffs. He also saw detainees wearing hoods while they were  
escorted on the prison grounds.

SA [REDACTED] did not observe any misconduct or b6 -1  
mistreatment of prisoners at any time during his presence at Abu b7C -1  
Ghurayb prison. He conducted a thorough search of all the cells

in the prison for the "ghost" detainee and saw no evidence of any mistreatment or misconduct.

b6 -1

SA [redacted] had no reason to believe that any misconduct b7C -1 or mistreatment of detainees was occurring at the prison. While processing numerous (25-50) detainees for fingerprints and DNA samples, he noticed no marks or signs of abuse on the prisoners. He did not recall meeting the guards who were depicted in the media allegedly abusing prisoners in the prison.

b6 -1

SA [redacted] advised his interviews conducted at Camp Cropper and Abu Ghurayb prison were reported via EC. He did not advise detainees of their Miranda Warning rights, and could not recall why. His interviews always took place in the stand alone buildings previously described and none of his interviewees were housed in units 1A or 1B. He had no substantive contact with Military Police personnel in charge of the prison. The only other member of his interview team at the prison was SA [redacted]. He did not recall a translator being present because the subject b6 -1 b7C -1 of the interview spoke English.

During his interviews, no interviewee brought to his attention any acts of misconduct or mistreatment by U.S. personnel. He was in possession of no pictures, video tapes, or notes of actions depicting misconduct or inappropriate behavior by U.S. personnel against detainees. He was not aware of anyone in possession of such items. He had no knowledge of DOD or DOJ authorization for the use of certain interrogation techniques. He and other interviewers, including the MI handlers, would discuss interview strategies as to whether or not the interview would use a positive, rapport building tone, or an accusatorial, negative tone. No discussion or thought was given to using physical interrogation techniques during any interview. He had no knowledge of sleep deprivation or isolation used on detainees. He had no additional information relating to the abuse/mistreatment of detainees.

Amnesty International is a non-government organization and a world-wide movement of members who campaign for internationally recognized human rights. AI publishes reports, press-briefings, newsletters and urgent action requests informing the public about human rights, including the prohibition on torture and the prohibition on disappearances. AI also disseminates information through its website [www.amnesty.org](http://www.amnesty.org).

The Center for Human Rights and Global Justice is a research center at NYU Law School. CHRGJ aims to advance human rights and respect for the rule of law through advocacy, scholarship, education and training. CHRGJ publishes reports and operates a website [www.nyuhr.org](http://www.nyuhr.org) discussing human rights issues.

The International Human Rights Clinic is a project of CHRGJ and an official program at NYU Law School, composed of students and directed by clinical professors, who engage in research and advocacy on human rights issues.

Washington Square Legal Services is a not-for-profit corporation that houses the clinical program of NYU Law School.

The requesters plan to disseminate the information disclosed as a result of this FOIA request through the channels described above.

**Expedited Processing**

Expedited processing is warranted as there is a “compelling need” for the records sought in this request. 5 U.S.C. § 552(a)(6)(E)(i)(I). The requesters are primarily engaged in “disseminating information” and there is an “urgency to inform the public concerning the actual or alleged Federal Government Activity.” 5 U.S.C. § 552(a)(6)(E)(v)(II). *See also* 32 C.F.R. § 286.4(d)(3)(ii) (DOD); 6 C.F.R. § 5.5(d)(1)(ii) (DHS); 28 C.F.R. § 16.5(d)(1)(ii) (DOJ); 22 C.F.R. § 171.12(b)(2) (DOS).

AI is primarily engaged in disseminating information about human rights, through its reports, newsletters, press-briefings, urgent action requests, and on its website. CHRGJ is engaged in disseminating information about human rights, including in particular, the Federal Government’s role in upholding human rights. As indicated above, this information is disseminated through published reports and CHRGJ’s website. The Clinic actively supports this work, and WSLS houses the clinic. As reflected in the media reports discussed above, there is an urgent need to provide the public with information relating to the U.S. government’s practices concerning unregistered or ghost detainees.

There is also a “compelling need” because failure to obtain the records on an expedited basis “could reasonably be expected to pose an imminent threat to the life or physical safety of an individual.” 5 U.S.C. § 552(a)(6)(E)(v)(I). *See also* 32 C.F.R. § 286.4(d)(3)(i) (DOD); 6 C.F.R. § 5.5(d)(1)(i) (DHS); 28 C.F.R. § 16.5(d)(1)(i) (DOJ); 22 C.F.R. § 171.12(b)(1) (DOS). This Request arises in the context of allegations of ongoing unlawful detention and abuse of individuals with the involvement of U.S. agents abroad. Failure to publicly expose and thereby halt the practices prompting this Request could reasonably be expected to pose an imminent threat to the physical safety and lives of such individuals.

Expedited processing is also warranted because this request involves “[a] matter of widespread and exceptional media interest in which there exist possible questions about the government’s integrity which affect public confidence.” 28 C.F.R. § 16.5(d)(1)(iv).

AI and WSLs certify that the foregoing statements regarding the basis for expedited processing are true and correct to the best of their knowledge and belief. 5 U.S.C. § 552(a)(6)(E)(vi). *See also* 32 C.F.R. § 286.4(d)(3)(iii) (DOD); 6 C.F.R. § 5.5(d)(3) (DHS); 28 C.F.R. § 16.5(d)(3) (DOJ); 22 C.F.R. § 171.12(b) (DOS).

If this Request is denied in whole or part, we ask that you justify all deletions by reference to specific exemptions of the FOIA. We expect release of all segregable portions of otherwise exempt material. We also reserve the right to appeal a decision to withhold any information or to deny a waiver of fees.

As indicated above, we are applying for expedited processing of this Request. Notwithstanding your determination of that application, we look forward to your reply to the Request **within twenty (20) days**, as required under 5 U.S.C. § 552(a)(6)(A)(i).

The following investigation was conducted by AI [REDACTED]

SA [REDACTED] NYO, Squad CD-22, [REDACTED] was interviewed. He was  
DOB. [REDACTED] SSAN. [REDACTED] was interviewed. He was advised of the identity of AI [REDACTED] and the nature of the interview. He provided the following information:

SA [REDACTED] deployed to Iraq on or about 11/13/2003 through 01/16/2004. His primary duties while in Iraq consisted of conducting FCI interviews at Camp Cropper in the vicinity of Baghdad International Airport. He worked primarily with SA [REDACTED] [REDACTED] He went to Abu Ghurayb prison on approximately five occasions. On one occasion he was searching for a "ghost" detainee through both cell blocks and the tent compound, but did not locate him. He described a "ghost" detainee as someone detained at the prison by intelligence personnel without any record of the detainee's presence. He did not know how many such detainees existed. On one occasion he processed for fingerprinting and DNA approximately 25-50 detainees at the prison. He also introduced a detainee whose name he could not recall to the Iraqi Survey Group (ISG) because of the WMD knowledge that detainee possessed. The ISG was U S. military, to the best of his recollection. He also dealt with Department of Defense (DOD) personnel who were civilian clothes. He believed they represented Defense Intelligence Agency.

Other than his search for the "ghost" detainee in the cell blocks, he interviewed detainees in the stand alone buildings known as "wood" and "steel," respectively. He actually interviewed the "ghost" detainee prior to the search on one occasion and saw no signs of abuse. The detainee was subsequently released, and that is why SA [REDACTED] could not locate him during the search. These stand-alone buildings were located outside the cell blocks. Those detainees were from the tent compound, not the main cell blocks. He recalled interviewing [REDACTED] with SA [REDACTED]

[REDACTED] was a tent compound detainee. The detainee was delivered to the stand alone building by MPs who did not participate in the interview. The detainee was brought to the interview in hand cuffs. He also saw detainees wearing hoods while they were escorted on the prison grounds.

SA [REDACTED] did not observe any misconduct or mistreatment of prisoners at any time during his presence at Abu Ghurayb prison. He conducted a thorough search of all the cells

in the prison for the "ghost" detainee and saw no evidence of any mistreatment or misconduct.

b6 -1

SA [redacted] had no reason to believe that any misconduct b7C -1 or mistreatment of detainees was occurring at the prison. While processing numerous (25-50) detainees for fingerprints and DNA samples, he noticed no marks or signs of abuse on the prisoners. He did not recall meeting the guards who were depicted in the media allegedly abusing prisoners in the prison.

b6 -1

SA [redacted] advised his interviews conducted at Camp Cropper and Abu Ghurayb prison were reported via EC. He did not advise detainees of their Miranda Warning rights, and could not recall why. His interviews always took place in the stand alone buildings previously described and none of his interviewees were housed in units 1A or 1B. He had no substantive contact with Military Police personnel in charge of the prison. The only other member of his interview team at the prison was SA [redacted]. He did not recall a translator being present because the subject b6 -1 b7C -1 of the interview spoke English.

During his interviews, no interviewee brought to his attention any acts of misconduct or mistreatment by U.S personnel. He was in possession of no pictures, video tapes, or notes of actions depicting misconduct or inappropriate behavior by U.S. personnel against detainees. He was not aware of anyone in possession of such items. He had no knowledge of DOD or DOJ authorization for the use of certain interrogation techniques. He and other interviewers, including the MI handlers, would discuss interview strategies as to whether or not the interview would use a positive, rapport building tone, or an accusatorial, negative tone. No discussion or thought was given to using physical interrogation techniques during any interview. He had no knowledge of sleep deprivation or isolation used on detainees. He had no additional information relating to the abuse/mistreatment of detainees.
